Lorena,

I'm happy to attend your board meeting and give an update on the courthouse. I've scheduled in the May 4<sup>th</sup> meeting. If something should come up, I'm happy to give a written report as well as attend a future meeting.

Regarding a committee, Elise Swanson from the chamber has been discussing with her board about putting together a committee that would include various stakeholders.

I understand that this is an important project for the downtown area and appreciate everyone's interest in it.

Thanks,  
Rebekah

Rebekah,

As the close of the sale draws near, my board of directors has requested that we now include the status of the old courthouse building in our monthly board meetings.

I would like to invite you to attend our next board meeting on Wednesday, May 4, 2016 at 9:00 am. The meeting is held at the San Pedro City Hall building, 4th floor conference room. We would like you to give us an update on the building. As you can imagine, the right project will have huge economic implications for downtown San Pedro.

Moving forward, are you planning on having a community leaders committee? It seems that this might be a more efficient way to stay connected with the community groups.

I hope you can make it to our meeting. I look forward to assisting in any way we can as we move forward as this is an extremely important project for downtown San Pedro.

Best regards,

Lorena Parker
